Enhancing Community Health Centers Through Staff & Board Development

Whether it's through workshops, webinars, on-demand trainings, or hands-on sessions, NWRPCA provides the tools and resources to ensure your team is not just prepared, but thriving.

NWRPCA is a not-for-profit 501(c)3 membership-driven organization that serves community and migrant health centers (CHCs) in Alaska, Idaho, Oregon, and Washington (federal Region X).

Founded in 1983, NWRPCA aims to develop Community Health Centers and their staffs to meet the challenges facing their communities.

OUR MISSION

Our mission is to strengthen health centers in the Northwest to advance health and well-being in our communities.

OUR VISION

NWRPCA is a leading partner in collaborating with CHCs to achieve equitable outcomes in health, wellness, and well-being.

OUR VALUES

- **Respect:** We demonstrate respect for each other and those we serve.
- **Trust:** We build trust by acting with honesty and integrity.
- **Diversity:** We celebrate diversity as the pathway to insightful work and enriched relationships
- **Excellence:** We constantly aspire to excellence through innovation and continuous improvement.
- **Inclusion:** We support an organizational culture of belonging.

Examples of Our Offerings

Finance, Revenue Cycle, & Value-Based Care

Our *Region X Biennial Salary and Benefits Survey* identifies trends in the marketplace and provides information specific to CHCs

Community Health Center Leadership

NWRPCA provides invaluable leadership training through popular programs like the *Northwest Public Health & Primary Care Leadership Institute* and *Core Competencies for CHC Managers and Supervisors at All Levels*.

Community Health Center Governance

The *NWRPCA/CHAMPS Governance Training Module* covers essential topics to bring your board up to speed such as CHC 101, compliance, board optimization, strategic planning, leadership, and more.

Workforce Development

Workforce supports the CHC workforce through various webinars and training-in-place offerings, such as the *Partners in Care Conference*, *Education Health Center Initiative (EHCI)*, and the *A.T. Still Program*.

Community Health/Health Equity

The *Community Health Worker Institute* serves as a training, technical assistance, and resource hub for CHCs to help them train and integrate CHWs into health center care teams.

HR & Operations

The *Human Resources Peer Networking Group* offers opportunities for health center human resources employees to directly communicate with their peers to share knowledge about topics critical to their work.

Conferences & Networking

We provide vital learning & networking opportunities through our three annual conferences: *Northwest CHW Forum*, *Fall Primary Conference*, & *Spring Summit*. Attendees have the option to join small group discussions with national & federal partners from organizations such as HRSA & NACHC.
